

COFFEE SLEEVES

Our coffee sleeves provide an extra layer of insulation as well as an extra space for additional branding! These sleeves are made from a thick quality paper to help insulate your hot beverages.

These sleeves come in both white and kraft brown and can be printed in 1-4 colors. Be sure to slip these sleeves onto our 10, 12, 16, 20 and 24 ounce standard or compostable paper cups!

Eco-Friendly Certification

SFI (Sustained Forestry Initiative)
Paper fiber is made from fully renewable resources
100% Recyclable

Item No.	Description
